

FUMC 1:50pm

Solar Eclipse Photo by Tommy Dixon

Dear FUMC Family,

Monday afternoon was a big day for us at the church and in the city of Texarkana. All eyes were looking at the sky as we experienced a total solar eclipse. For me it was so much fun to witness the eclipse with so many other people on Stateline Ave in front of the Federal Courthouse. I have enjoyed seeing photos on Facebook of how many of you experienced the eclipse.

The Cabe kitchen is getting a facelift currently. Several weeks ago a row of kitchen cabinets suddenly became unattached from the wall and fell to the floor. This unexpected accident has caused the kitchen to have much needed work done. Thank you to the trustees for supervising the kitchen project and to Scott Byers for doing much of the labor. Thank you to Jeanna and Mike Rogers for the donation of a commercial dishwasher and its installation in the Cabe Kitchen, The Cabe kitchen has been well used since 1977 and after 47 years it is getting a well deserved pampering.

I hope that you will be able to attend the Lay Ministry Staff Appreciation Luncheon this Sunday following worship. FUMC is very blessed with a dedicated lay ministry staff who have served in ministry at the church a combined total of 136 years and 9 months.

Together we will honor Penny Arnold, Scott Byers, Larry Dymott, Valerie Foote, Rochelle Gray, Melody Hickson, Shirley Laryea, Melonie Mc Peat, Amy and Mark Meadows. One of the ways that you can show your appreciation to the lay ministry staff is by participating in a love offering that will be shared with each person. You can give an offering on Sunday.

The menu for the lunch will be a Baked Potato Bar with smoked brisket, seasoned taco meat, and all the works, plus salad, homemade desserts, and beverages.

Recycle Your Solar Glasses

You may drop off your solar glass in the church office or the Narthex.
They will be sent to Latin America for children to endy the August 2024 eclipse!
We are collecting them until May 26th.
